

Sample Submission Process

1 [Visit LubeAlert.com](https://www.lubealert.com)
Sign in or sign up to start your submission process.

2 **Order Your Kits**
Order a 10-pack of oil testing kits, which include a 3 oz. jar, paperwork/form, and plastic shipping container.

3 **Choose Your Submission Type:**
Electronic (Desktop/Mobile) or Written

Electronic Sample Submission

Desktop: To enter multiple samples at once, access [www.LubeAlert.com](https://www.lubealert.com) on your desktop.

Mobile: To submit single data samples in the field, use the LubeAlert mobile app.

Written Data Submission

When submitting equipment information for the first time, include all component and fluid information requested, including unit ID, type of component and position, time on both the fluid and the component and whether or not the fluid and/or filter have been changed.
